

# MESSAGE FROM THE MAYOR

April 8, 2024

Dear City Residents, Friends and Neighbors,

Pursuant to Article VI, Chapter 6-102 of the City Charter, I present the budgets for the City of Syracuse and the Syracuse City School District for the Fiscal Year 2025, the period of July 1, 2024 through June 30, 2025. The \$341 million budget supports strong neighborhoods, better city services, and pathways to opportunity for children and families.

To offset across-the-board cost increases facing city government, the budget anticipates growth in revenue from strengthening property values, improved investment management, and continued growth in sales taxes. The plan draws on the City's fund balance at the same rate as the prior fiscal year, deploys American Rescue Plan Act (ARPA) pandemic relief, and proposes a 2% property tax rate increase.

At a time of critical need, the budget supports major new funding for housing. We will inject \$2.5 million in direct funding to the new Syracuse Housing Trust Fund which will add new quality housing and help current property owners fix up the aging housing stock in city neighborhoods. Our plan also improves sanitation services with the planned rollout of covered recycling carts. We add staff to bolster permitting and project review which enables development and growth. And we also fund summer jobs for hundreds of city youth and direct more money to city schools.

## **Investments in Neighborhoods, Services and Families**

In addition to funding existing services, the proposed spending plan includes enhanced city programs and services:

### ***Neighborhoods***

- General fund allocation to Syracuse Housing Trust Fund
- Funding to resume seizure of tax delinquent properties
- New class of police cadets who will receive training and experience to become a police officer
- Five additional SPD Community Service Officers
- Syracuse Police Academy recruitment-training program
- Funding for new Police Academy classes
- Creation of an SPD Drone First Responder program
- Expansion of the SPD Alternative Response program
- Funding for new Fire recruit class
- Update 911/fire station alerting system at all firehouses

### ***Services***

- Two additional staff members in Central Permit Office for project and plan reviews
- New sanitation route optimization to improve efficiency of trash and recycling pickups
- Citywide rollout of covered recycling carts
- Planned 23 miles in road reconstruction
- Planned 14 miles in sidewalk maintenance and reconstruction
- New year-round Department of Public Works road crew to restore pavement after infrastructure repairs
- Expansion of replacement program for water pump stations and lead water services containing lead materials

### ***Families***

- Funding for approximately 800 jobs for summer youth and adult workforce development
- Increase in aid to Syracuse City School District
- Staffing for new Parks & Recreation programs at Southwest Community Center
- Staffing and daily operation of Second Chance City Dog Shelter
- New full-time Public Arts Coordinator in Parks & Recreation Department

## Revenue Sources

Primary sources of additional revenue to the city budget compared to the prior fiscal year come from:

<u>Revenue Increase*</u>	<u>Source</u>
\$7.3 million	Growth in city property tax
\$7.0 million	Improved investment management program
\$4.5 million	Growth in sales tax

\*(Proposed FY24 to FY25)

The 2% increase in the property tax rate will move the combined rate for City and School taxes to \$28.26 per thousand of taxable assessed value. For a property with an assessed value of \$100,000, the rate change will increase the annual tax bill by approximately \$55.

The new rate, combined with the increase in total assessed value, will increase the combined City and School tax levy by 6.7 percent from \$115.5 million to \$123.3 million. The City will increase funding to the Syracuse City School District by \$500,000.

The budget proposes drawing \$19.25 million from the city fund balance, which currently exceeds \$115 million. After the proposed draw, the fund balance will exceed the rating agency-recommended municipal reserve level of 20% by approximately \$30 million. In accordance with federal guidelines, the budget also anticipates deploying \$11 million in APRA funds to the city general fund.

The 2025 budget is supported by a \$2 million services agreement payment to the City by Syracuse University, a \$250,000 increase in revenue compared to the prior budget year. SU also makes a \$500,000 payment to the City to fund the University Neighborhood Agreement Advisory Council (UNSAAC).

## Water and Sewer Rates

The proposed budget includes changes in water and sewer rates. A 2% increase in water rates for property owners will offset the rising costs of materials; allow continued investment in water infrastructure; and ensure a continued stable water supply. A typical residential increase will be about \$5 per year. Sewer rates will increase an average of \$15 per year per single family customer.

## State Aid Increase

The budget plan includes a \$5 million increase in state aid. The one-time Temporary Municipal Assistance payment is the first increase in general state aid to the City in 15 years.

We are making strategic investments in neighborhoods, services and families while managing the ongoing structural deficit facing city government. We are grateful for the Temporary Municipal Assistance payment. Even with this funding, significant revenue enhancement through better investment management, increasing property values and growing sales tax, costs continue to exceed revenue growth. A local property tax rate increase is a necessary step toward fiscal sustainability.

Syracuse is making steady progress toward realizing our vision of being a growing city that embraces diversity and creates opportunity for all. This is occurring because of your support as taxpayers and residents of Syracuse and the strong collaboration we have built with our local, state and federal government partners. I am honored to serve as your Mayor and look forward to continue working with you to strengthen Syracuse.

Thank you.

Ben Walsh  
Mayor

**LESS: UNCOLLECTED TAXES - CURRENT YEAR:**

Beginning in 1989, the City started to budget for the uncollected portion of each year's combined City and School District levy, that was anticipated to exceed 1% of the tax budget already added individually to the City's and School District's tax budget as required by New York State Law. The inclusion of the Uncollected Taxes account was recommended by staff of the State Comptroller as part of the City's efforts to be more in compliance with State finance requirements.

**SPECIAL LIGHTING TAX:** Properties located in special lighting districts are assessed fees to cover the cost of installation and maintenance of specialized street lighting. Examples of districts include the Bradford Hills area, certain streets in the Westcott area and Armory Square.

**ASSESSABLE IMPROVEMENTS:** The City provides some services, namely sidewalk and vault reconstruction, and charges the taxpayer for these improvements on the tax bill. This account records the anticipated revenues for the year.

**ASSESSABLE IMPROVEMENTS BUYOUT:** Beginning each fiscal year, the General Fund makes various operating funds whole with regards to special assessments charged on the tax levy (e.g., unimproved street charges). This *negative* revenue represents the difference between the total special assessment taxes purchased by the General Fund, and the expected collections of these charges during the fiscal year.

**PRIOR YEARS' TAX COLLECTION:** This revenue account represents an estimate of prior years' City and School District taxes which will be collected in Fiscal 2023/2024. The amount included in the budget is based on an average of recent years' collections. Prior to the 1994/95 budget, the amount used for Less: Uncollected Taxes Current Year was actually a combination of prior years' tax collection and the current uncollected. The 2023/24 budget displays both components, showing two gross amounts instead of one net figure.

**TAX FEES AND PENALTIES:** These payments represent late fees and delinquency penalties for City property taxes, which accrue at 1.5% per month for current year's taxes (with an annual maximum rate of 12%) and fees from tax sales certificates which accrue at 1% per month. Also included in this account are proceeds from tax sale certificates. Tax sale certificates represent unpaid taxes from previous years that are filed as a lien on or about October 6th of each year.

**PILOT- NON-PROFIT HOUSING:** Payments-in-lieu of-taxes for senior citizen high-rise apartment buildings. These payments are negotiated on the basis of a shelter rent formula representing 10% of gross receipts less the cost of utilities and uncollected rents.

**PILOT - ONTRACK:** Payments-in-lieu-of-taxes made by the Syracuse, Binghamton and New York Railroad Corp. to the Onondaga County Industrial Development Agency for operation of rail services linking various commercial and recreational centers in the Syracuse area. The base payment consists of 5% of ticket and other gross revenues, of which the City receives a prorated share based on the percentage of taxes owed to it and the surrounding areas on which the track is operated.

**PILOT - S.I.D.A.:** Payments-in-lieu-of-taxes from development projects exempt from property taxes due to ownership by the Syracuse Industrial Development Agency, such as the Galleries and the AXA Towers. These PILOT agreements are on file in the Finance Department and typically are based on such factors as assessed value and rentable square footage. Includes only unrestricted income available to the City's General Fund.

**PILOT- SYRACUSE UNIVERSITY DOME:** A payment-in-lieu-of-taxes that is paid by Syracuse University for all entertainment and professional sporting events at the Carrier Dome. The payment is equal to a charge of \$.75 per ticket on all such events, or \$100,000, whichever is greater.

**UTILITIES GROSS RECEIPTS TAX:** Syracuse imposes a 1% tax on the gross income of utility company transactions in the City. Two of the utility companies affected by this tax are the National Grid Power Corporation and Verizon.

**C.A.T.V. FRANCHISE TAX:** Spectrum Inc. is assessed a 5% tax on gross receipts, payable in quarterly installments. The State assesses a fee based on the amount it needs to run the State Cable Commission, typically about .8%. The City receives the remainder for its purposes.

**RIGHT OF WAY FRANCHISE TAX:** This tax represents Fibertech Networks' fee for using our conduits for their cable. These fees are billed by linear foot of conduit used.
