SUMMARY OF 2023 OPERATIONS

The conclusion of 2023 marked yet another active year of oversight for the Syracuse Citizen Review Board. The following information provides a summary of the CRB's operational highlights in 2023. Over the course of the year, the CRB received a total of 99 complaints and effectively handled 30 cases. Out of these, 1 case advanced to a hearing, and 11 cases concluded with a no-hearing vote by the Board. Moreover, 18 cases were determined to be outside the CRB's jurisdiction.

- 99 complaints received.
- 1 hearing held.

HEARINGS & DISCIPLINARY RECOMMENDATIONS

Once the full CRB votes to send a case to a panel hearing, a panel is composed of three members of the CRB (one mayoral appointee, one district councilor appointee, and one at-large councilors' appointee) and the hearing is typically held within two to three weeks based on the availability of the complainant and witnesses.

1 hearing was held resulting in the following outcomes.

- 1 Sustained finding by the hearing panel for allegations of Excessive Force and Demeanor.

*Complaints have multiple allegations *

- A sustained finding means that the panel found that there was substantial evidence that the alleged misconduct did occur.

SPD DISCIPLINARY ACTION RATE:

- The disciplinary action rate (or rate of agreement) is the rate at which the Chief of Police imposes discipline when the CRB recommends it. Local Law 1 of 2011 requires the CRB to report to the public the number of times that the Chief of Police imposed disciplinary sanctions when the CRB sustained an allegation against an officer and recommended discipline. The CRB received 0 responses from the Chief of Police to the 1 hearing in which the CRB held.

MISSION & OBJECTIVES

The purpose of the Citizen Review Board, all of whose members are volunteers, is to provide an open, independent, and impartial review of allegations of misconduct by members of the Syracuse Police Department; to assess the validity of those allegations through the investigation and hearing of cases; to recommend disciplinary sanctions where warranted; and to make recommendations on Syracuse police policies, practices, and procedures.

In fulfillment of its legislative purpose and mission, the Board is committed to:

- Creating an institution that encourages citizens to feel welcome in filing a complaint when they believe that they have been subject to police misconduct.
- Making the public aware of the CRB's existence and process through ongoing community outreach events and coverage by local media.
- Completing investigations and reviews of complaints in a thorough, yet timely fashion.
- Remaining unbiased, impartial, objective, and fair in the investigation, evaluation, and hearing of complaints.
- Engaging in community dialog that encourages citizen input with the CRB.
- Respecting the rights of complainants and subject officers.
- Upholding the integrity and purpose of the CRB's enabling legislation.
- Reporting to the Mayor, the Common Council, the Chief of Police, and the public any patterns or practices of police misconduct discovered during the course of investigation and review of complaints; and
- Operating in an open and transparent manner to the extent permitted by applicable municipal and state laws, regulations, and ordinances.

BOARD MEMBERS & TERMS

The Syracuse CRB is composed of a 10-member board, all serving staggered three-year terms as unpaid volunteers. These dedicated individuals are appointed by various entities across the city and undergo confirmation by the Syracuse City Council. Residency within the city is a requirement unless exceptions are granted through legislative action, and individuals holding public office or employed by the City of Syracuse are ineligible for board membership.

Board members devote an average of ten hours per month to CRB matters, encompassing attendance at monthly meetings, preparation for and participation in panel hearings, training sessions, and active involvement in community outreach initiatives. The commitment also includes the attendance of a minimum of three community outreach events annually, as mandated by the 2016 ordinance revision.

For those interested in learning more about the Board members, biographies of each volunteer can be accessed on the CRB website at www.syr.gov.net/crb_Members.aspx.

FILING A COMPLAINT WITH THE CRB

The Syracuse CRB accepts complaints against members of the Syracuse Police Department (SPD) that involve allegations of misconduct potentially violating SPD rules and regulations, as well as state, local, and/or federal laws. The CRB considers complaints regarding active misconduct, such as excessive force, constitutional violations, harassment, racial or gender bias, poor demeanor, search and seizure violations, theft or damage to property, untruthfulness, and false arrest. Additionally, it addresses passive misconduct, including failure to respond, failure to intercede, or refusal to accept a complaint.

The filing process for a complaint with the Syracuse CRB is accessible to any member of the public, regardless of residency in the City of Syracuse or U.S. citizenship. Complaints can be submitted in various ways, including walking into the CRB office at City Hall Commons (201 East Washington Street, Suite 705) to complete a form, contacting the CRB office for the mailing of a complaint form, downloading the form from the CRB website, or requesting a home visit if needed. Completed complaint forms can be hand-delivered or sent by mail to the CRB office. For further information, the CRB website is www.syr.gov.net/CRB.aspx, and the CRB office can be reached by telephone at 315-448-8750 or via email at crb@syr.gov.net.

PUBLIC MEETINGS

The Syracuse CRB conducts its monthly meetings on the first Thursday evening at 5:30 PM in the Common Council chambers at City Hall. The meeting schedule is conveniently accessible at local libraries, on the CRB website, and on the calendar of the City's main webpage. These sessions play a crucial role in shaping and refining CRB policies and procedures, emphasizing transparency, openness, and accountability. The agenda typically includes voting on items requiring Board approval, presentations by the Chairman for the Board's consideration, a comprehensive report on the CRB's monthly activities presented by the Administrator, committee reports, and a dedicated time for public comment. We strongly encourage community members to attend these meetings, participate in the public comment period, and actively contribute to the ongoing initiatives of the CRB.

A quorum consists of at least six (6) board members being present. Following the public comment period, the Board moves into a confidential Executive Session if there is a quorum, to deliberate and vote on whether to advance investigated complaints to a hearing. No action items can occur, and an Executive session cannot be conducted if there are not six(6) board members present. In 2023, there was a quorum present for 8 out of 12 public meetings, in the months of January, March, April, June, July, August, October, and November.

OPERATIONS

Throughout the calendar year of 2023, from January 1 to December 31, the Syracuse CRB actively conducted 12 monthly business meetings, all of which were open to the public. These meetings served as crucial platforms for addressing community concerns, developing policies, and enhancing transparency in the oversight process. Over the course of the year, the CRB received a total of 99 complaints from community members, indicating significant public engagement. Notably, the board dedicated substantial efforts to thoroughly processing these cases, successfully reviewing, and resolving 30 cases during the same period. This commitment underscores the CRB's dedication to addressing community grievances and promoting accountability within the Syracuse Police Department.

BOARD TRAINING AND DEVELOPMENT

The Syracuse CRB acknowledges the vital importance of well-trained board members in facilitating effective oversight and building community trust. Our extensive training program is crafted to provide board members with the knowledge, skills, and ethical principles essential for their critical responsibilities. Covering a variety of topics, the training curriculum includes online Board Development sessions. Additionally, throughout the 2023-year, board members participated in the NACOLE Police Oversight webinars.

2023 ANNUAL POLICY & TRAINING RECOMMENDATIONS

The Annual Report from the CRB includes recommendations addressing police policy, training, and procedures, fostering constructive dialogue. These recommendations are transmitted to the mayor's office, the Common Council, and the Chief of Police, initiating discussions aimed at improving specific aspects of the Syracuse Police Department. We are confident that adopting these recommendations would not only serve the public interest but also enhance the well-being of the City's police officers. The CRB asserts these recommendations under the authority granted by Section Three, Paragraph (6) of the CRB legislation.

2023 POLICY RECOMMENDATIONS

Enhancements to Body Worn Camera Policy (BWC):

Building upon our commitment to accountability and transparency, the CRB recommends further improvements to the Body Worn Camera (BWC) policy and its application:

1. **Real-time Reporting:** Advocate for the integration of real-time reporting features in BWC technology, enabling officers to submit reports concurrently with video footage. This ensures immediate documentation without influencing the independent evidentiary value of their accounts.
2. **Standardized Activation Procedures:** Propose the establishment of standardized activation procedures for BWCs, ensuring consistent and clear guidelines for officers in various scenarios. This includes specific activation protocols during traffic stops, public interactions, and emergency responses.
3. **Community Input Sessions:** Strengthen community engagement by conducting regular input sessions to gather public opinions on BWC policies. This inclusive approach ensures that the community's concerns and expectations are considered in the development and revision of BWC policies.
4. **Consistent discipline for violations of the Body Worn Camera Policy to be given across members of the Syracuse Police Department.**

Civil Rights Principles on Body Worn Cameras:

5. **Community Oversight Board:** Advocate for the creation of a Community Oversight Board to actively participate in the review and development of BWC policies, fostering a collaborative approach between law enforcement and the community.
6. **Comprehensive Training:** Emphasize comprehensive training for officers on the ethical and respectful use of BWCs, with a focus on de-escalation techniques and cultural sensitivity to maintain positive community interactions.

Integration of Advanced Technologies: Explore and recommend the integration of advanced technologies, such as artificial intelligence and machine learning, into BWC systems. These technologies can assist in automating the analysis of footage, ensuring timely and accurate reviews while upholding privacy standards.

Expanding Mental Health Response Policies:

In line with our commitment to improving interactions with individuals affected by mental illness, the CRB recommends:

7. **Crisis Intervention Team (CIT) Expansion:** Advocate for the expansion of Crisis Intervention Team (CIT) training for all officers to enhance their ability to handle situations involving individuals experiencing a mental health crisis.

8. Community Mental Health Partnerships: Strengthen partnerships with local mental health organizations to ensure officers have access to resources and support when responding to mental health-related incidents.
9. Reevaluation of School Resource Officer (SRO) Policies:

Building upon previous recommendations, the CRB suggests further measures for School Resource Officer (SRO) policies:

10. Annual Training Requirements: Recommend the establishment of annual training requirements for SROs, covering topics such as adolescent development, conflict resolution, and cultural competence.
11. Community Involvement in Selection: Reinforce the involvement of the Syracuse City School District in the selection process of SROs, ensuring officers placed in educational settings possess the necessary interpersonal skills and training.

These recommendations aim to continually improve policies, promote community engagement, and uphold the values of transparency and accountability within the Syracuse Police Department.

PREVIOUS POLICY RECOMMENDATIONS FROM 2012 THROUGH 2017 ARE RE-AFFIRMED IN PART OR WHOLE WITH SHORT SUMMARY

Comprehensive Use of Force Policy:

Reaffirming the importance of a modern Use of Force Policy, the CRB suggests an update based on national best practices and DOJ guidelines. The policy should include:

- Clear delineation of all force options, including lethal and less-lethal weapons.
- Precise definitions of terms like imminent threat, de-escalation, reportable force, and levels of subject resistance.
- Emphasis on limitations of impact weapons and respiratory restraints.
- Incorporation of a "Duty to Intervene" and "Duty to Report" policy.
- Prohibition on firing at or from a moving vehicle when it constitutes the only threat.

12. Non-Retaliation Clause in Complaint Procedures: Recommendation for the inclusion of a non-retaliation clause in SPD's Complaint Procedures, ensuring protection for individuals filing or cooperating with complaints against SPD members.
13. High-Risk Traffic Stops Training: Advocacy for in-service training on procedures for high-risk traffic stops, enhancing officers' skills in conducting felony stops and identifying conditions requiring these procedures.
14. Policy on Reducing Charges for Cooperation: Reiteration of the importance of adherence to SPD procedures regarding the reduction of criminal charges in exchange for cooperation, emphasizing the need for involvement and approval from the District Attorney's office.
15. Use of Police Vehicles in Foot or Bicycle Pursuits: Proposal for the development of a policy outlining the use of police vehicles during foot or bicycle pursuits to prevent allegations of inappropriate vehicle use in these situations.
16. Disciplinary Matrix Implementation: Recommendation for the creation and implementation of a disciplinary matrix to bring consistency and predictability to the department's disciplinary process, categorizing violations into severity levels.
17. Immediate Retrieval of Video from COPS Platform: Advocacy for a policy to immediately retrieve and secure video from the COPS Platform or nearby private surveillance cameras in use-of-force incidents or upon receiving complaints against an officer.

18. Extended Availability of COPS Platform Videos: Suggestion to extend the timeframe that COPS Platform camera videos are available, increasing the likelihood of their availability for complaint investigations.
19. Recorded Interviews and Police Radio Transmissions: Encouragement for the routine recording of interviews with subject officers and the acquisition of police radio transmissions as part of internal affairs investigations.
20. Seatbelts and Cameras in Police Transport Vans: Request for the installation of seatbelts and audio-video recording capabilities in the rear compartment of police transport vans to enhance safety and accountability.
21. Dashboard Cameras and Audio Mics in Patrol Vehicles: Advocacy for the purchase and installation of dashboard cameras and audio mics in all SPD patrol vehicles, integrating them with the body camera system for comprehensive coverage.
22. Eyewitness Identifications Policy: Inclusion of a policy outlining proper procedures for conducting eyewitness identifications, covering photo lineups, live lineups, show-up identifications, and field view identifications.
23. Securing Entryways following Forced Entry: Recommendation for SPD to adopt a policy, similar to DPW board-up crews, to ensure security following a forced entry.
24. Provision of Property Receipts for Seized Currency: Proposal to make the provision of property receipts for seized currency mandatory at the point of seizure, ensuring transparency and accountability.

These recommendations are presented under the authority granted by Section Three, Paragraph (6) of the CRB legislation, with the aim of fostering constructive dialogue and contributing to the continuous improvement of the Syracuse Police Department.

CASE SUMMARIES OF SUSTAINED FINDINGS

Case Number	Allegation	Allegation 2	Allegation 3	Response From Chief
Case 1	Failure to Act- Sustained		N/A	N/A

CRB adjudication decisions include the following:

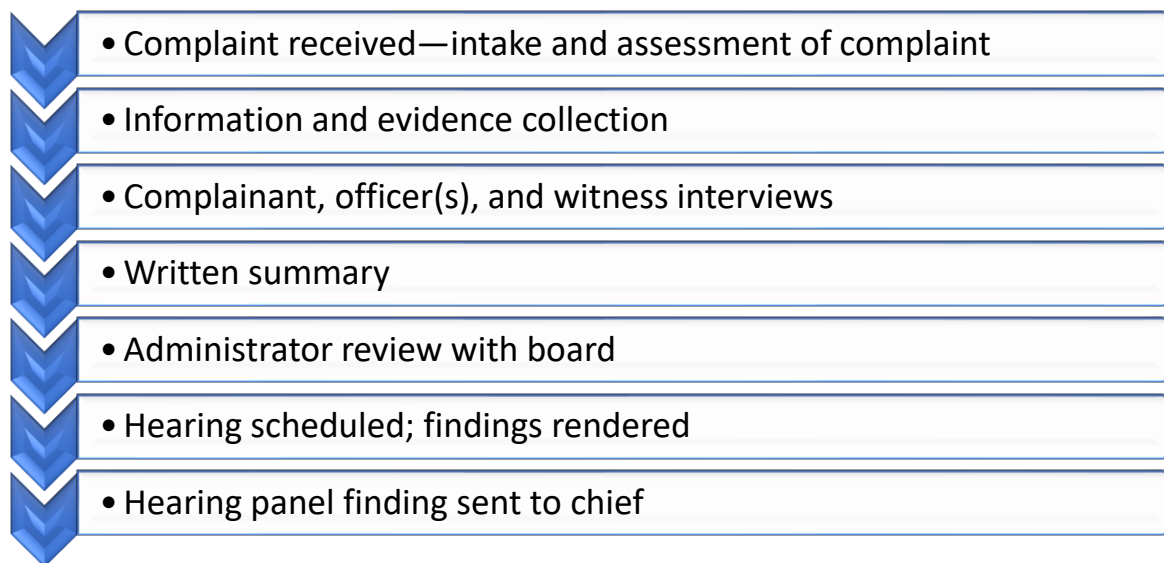

- **Unfounded:** The review or investigation shows that the act or acts complained of did not occur or were misconstrued.
- **Exonerated:** The acts that provide the basis for the complaint occurred, but the review or the investigation shows such acts were lawful or proper.
- **Sustained:** The review or investigation discloses sufficient facts to prove the allegation(s) made in the complaint.
- **Not sustained:** The review or the investigation fails to disclose sufficient facts to prove or disprove the allegation(s).
- **Insufficient Evidence:** The evidence fails to meet the burden of proof and is inadequate to prove the allegation(s).

BOARD HEARINGS AND ADJUDICATION

- Upon completion of an investigation, CRB Administrator or Private Investigator prepares a detailed investigative report containing recommended adjudications for each allegation and recommended discipline. Once the Administrator approves the investigation, the board reviews the investigative findings in an executive session. Complainants and subject officers are notified of the date of the meeting regarding their complaint, and both complainant and officer(s) involved may be present during the executive session. During the board’s meetings, each scheduled case is reviewed and openly discussed between board members and investigative staff. The board can vote to accept staff recommendations or to assign a different finding to a complaint.

APPENDIX II

OFFICE OF THE MAYOR MAYOR BEN WALSH

EXECUTIVE ORDER SYRACUSE POLICE REFORM EFFECTIVE JUNE 19, 2020

WHEREAS, the killing of George Floyd, and the subsequent outpouring of grief and concern over police conduct nationwide has led to calls from the Syracuse community for immediate police reform; and

WHEREAS, improving police-community relations and updating key policies to reflect best practices in 21st century policing has been a priority of my administration since taking office; and

WHEREAS, under the leadership of Chief Kenton Buckner, Syracuse has already taken important steps in police reform, including but not limited to the expansion of body worn cameras and the implementation of a new body worn camera policy; the issuance of a revised use of force policy in July 2019; the restructuring and relocating of the department's internal affairs function; enhanced focus on diversity recruitment; and the creation of citizen advisory committees; and

WHEREAS, the Syracuse Common Council has indicated its desire for police reform, and will consider legislation that seeks greater police transparency, which will complement the steps to be taken below; and

WHEREAS, I support the police reforms already passed this month by New York State, including the repeal of Civil Rights Law Sec. 50-a; and

WHEREAS, I recognize the dedication of the members of the Syracuse Police Department, and intend the steps outlined below to better equip officers with the training and policies they need to enhance their ability to protect and serve all members of the Syracuse community equally, and to build the community's trust in our officers; and

WHEREAS, in response to the concerns of the Syracuse community, more action on police reform is urgent, necessary and appropriate; and

WHEREAS, I will engage in a robust community dialogue to further explore and consider areas for reform and improvement over the coming months beyond those set forth below, culminating in a plan and report in the spirit of and in compliance with Governor Cuomo's Executive Order No. 203, New York State Police Reform and Reinvention Collaborative;

GROWTH. DIVERSITY. OPPORTUNITY FOR ALL.

NOW, THEREFORE, as Mayor of the City of Syracuse, by the authority vested in me by the City Charter and applicable laws, and in consultation with the Chief of Police, I hereby direct the following actions as soon as practicable:

1. Review, revise and amend the policies and procedures of the Syracuse Police Department (SPD) to ensure the principles embodied in the New York City Right to Know Act are incorporated into the department's policies and procedures, including but not limited to self-identification to citizens, provision of written identification to citizens, obtaining consent to searches, recording consent and making the record of the consent available to the subject of the search. This will be done in conjunction with legislative action by the Syracuse Common Council, which will seek to codify the Right to Know principles related to the reporting of investigative encounters.
2. Revise SPD's 2019 use of force policy to ensure that it is compliant with recent changes in New York State law, and fully consider any policy changes requested by the Syracuse community.
3. Revise SPD's current body worn camera policy to ensure that officers record the entirety of their presence on the scene of a police encounter.
4. Complete the department's efforts to obtain additional body worn cameras so that all uniformed officers assigned to patrol or who otherwise respond to citizen calls will be equipped with cameras.
5. Develop and implement a plan to deploy dashboard cameras on all SPD marked vehicles.
6. Conduct a complete inventory of all equipment acquired through military surplus programs that are in possession of the SPD; establish policies and procedures regarding the use of such equipment; and establish parameters for future procurement of such equipment.
7. Post on the City of Syracuse and/or SPD's website:
 - a. The collection of documents that together comprise the most recent collective bargaining agreement with the Syracuse Police Benevolent Association (PBA); and
 - b. A comprehensive summary of that collection of documents, which my administration prepared and presented to the PBA for review and acceptance in 2019; and
 - c. The Tentative Agreement reached with the PBA in November 2019, which has not been approved, and which is now the subject of the impasse resolution process set forth in the New York State Taylor Law.
8. Make SPD policies publicly available on the SPD website.
9. Develop a process to ensure legal compliance with New York State's repeal of Civil Rights Law Sec. 50-a and related amendments to the Freedom of Information Law, which require the city to disclose copies of certain police personnel records upon request.
10. Continue to actively oppose any legal attempt to dissolve or otherwise eliminate the judicial consent decree which continues to be a critically necessary tool to improve the diversity of our police department.

GROWTH. DIVERSITY. OPPORTUNITY FOR ALL.

11. Review the department's procedure and approval process regarding the application of search warrants that seeks a "no-knock" provision from a court to ensure compliance with Constitutional standards.
12. Continue to improve collaboration with the Syracuse Citizen Review Board (CRB) to ensure the flow of documents and information as embodied in Local Law No. 11. Further, commit to:
 - a. Reviewing the disciplinary recommendations presented by the CRB prior to making a final determination of discipline of an officer; and
 - b. In cases where the Chief issues no discipline, or discipline that is lesser than is that recommended by the CRB, provide to the CRB a written explanation of the reason for such level of discipline or lack thereof.
13. Develop and deliver training on the history of racism in Syracuse and the United States, both in the police academy and during in-service training, such that 100% of the membership of SPD receives this training. Additionally, deliver department-wide training in cultural competency for law enforcement.
14. Continue to review and upgrade the department's recruitment, screening and hiring practices, with an aim to increase the diversity of the department's membership.
15. Research and consider innovative, community-based strategies for responding to non-criminal calls, with a goal of shifting the paradigm from primary police response, to response by non-police professionals in relevant fields.
16. Develop and implement, in coordination with the Syracuse City School District, a new model for school safety and security.

Dear Ms. Releford:

I am writing in response to Mayor Walsh's Executive Order: Syracuse Police Reform effective June 19, 2020 to make you aware of our commitment to fulfill Item #12.

The Syracuse Police Department (SPD) affirms our commitment to ensure the flow of documents and information as embodied in Local Law No. 11.

The SPD further commits to making no final decision on discipline of an officer(s) until the Chief of Police has received the results of both the Office of Professional Standards investigation and the CRB recommendations of the same complaint.

In addition, the Chief of Police will provide the CRB a letter of explanation if the decided discipline falls to a level lower than is recommended by the CRB.

As you are aware, Corporation Counsel and CRB's outside counsel are currently discussing ways in which the timelines in the ordinance could be adjusted to reflect pragmatic operational realities. Those discussions reflect the parties' consensus, based on past experience, that additional time is sometimes required to allow both sides to complete a thorough and effective investigation. The parties also understand, however, that any proposed revisions will not permit delays which prevent discipline from being imposed within the eighteen month deadline provided for in the New York Civil Service Law. Indeed, it is our belief that such revisions will actually serve to speed-up investigations by increasing efficiency. Ultimately, any changes to the ordinance would need to be presented and approved by the Common Council, but I am hopeful that SPD and the CRB will agree on a process that works for all the stakeholders. The SPD commits to being compliant with any revisions going forward.

Regards,

Re: Draft Revised Use of Force and Body Worn Camera Policies

Dear Chief Buckner:

The Citizen Review Board ("CRB") submits the following comments to the Syracuse Police Department's ("SPD") draft Revised Use of Force ("UOF") and Body Worn Camera ("BWC") policies, which have been uploaded to the City's portal for a public engagement process.

These documents incorporate many of the recommendations CRB has made over the years. CRB's recommendations reflect its statutory obligation to "identify, analyze, and make recommendations about police policies, procedures, practices or other systemic concerns about police conduct . . ." With reference to that obligation, although CRB is disappointed that it was offered only a *de minimis* role in the drafting process, we are nonetheless pleased that many of our recommendations have been received and incorporated.

Use of Force

As set forth above, the UOF draft incorporates several CRB recommendations. In particular, as recommended in our letter of February 7, 2019, this draft includes precise definitions of key terms; a discussion of "objectively reasonable" force; specific prohibitions on certain force such as chokeholds (although not on carotid restraints as we had recommended); and a duty to intervene and report, among other things.

Generally, CRB continues to recommend a blanket prohibition on firing from or at moving vehicles, in such situations where the vehicle itself presents the only risk. Further, the UOF policy should incorporate the International Association of Chiefs of Police ("IACP") recommendations on responding to persons experiencing a mental health crisis when addressing those issues in the UOF policy. And finally, CRB requests that any documented use of force should be promptly forwarded to CRB for its own review.

Besides these general comments, CRB's specific edits / comments are as follows:

1. Section 300.1 Paragraph B, add to the sentence (change in bold): "In granting officers the authority to use **objectively** reasonable force, the Department acknowledges its responsibility to train, monitor and evaluate officers to ensure **adherence to** the use of force authorizations and limitations set forth in this policy . . .";
2. Section 300.1 Paragraph C, add referral to CRB;
3. Section 300.2: Paragraph G-I, and K, provide a citation for these definitions. Also add definitions for:
 - a. Known – be aware of through observation, inquiry or information.
 - b. Verbal warning –
 - c. Pre-assault indicators –
 - d. Kinetic body movements –
 - e. Un-directed over-compliance –
 - f. Defensive or offensive physical posturing –
 - g. Physical non-compliance –
 - h. Target glance –
 - i. Verbal aggression –
 - j. Exigent circumstances –
4. Section 300.3 Paragraph C, change to "Officers are not expected to compromise safety in order to de-escalate a situation if **there is an objectively reasonable likelihood it will** result in harm . . .";
5. Section 300.04 Paragraph A, clarify the standard (here or elsewhere) for determining when an officer is "in possession of all necessary facts";

6. Section 300.04 Paragraph B, add to the end of the sentence that ". . . shall report the force to any supervisor and/or the Office of Professional Standards immediately, **and that person or OOPS shall immediately investigate and forward the results of said investigations to CRB.**";
7. Section 300.5 Paragraph A, add to the sentence ". . . reasonably appears necessary to **accomplish those items set forth at 300.6,** given the objective . . . ";
8. Section 300.5 B, provide a citation for this standard;
9. Section 300.5 Paragraph E add to the sentence ". . . encounter is to avoid **in pursuit of an authorized objective and where de-escalation techniques are impossible based on an objectively reasonable standard** or minimize . . . ";
10. Section 300.6 Paragraph A 6, add to the sentence "overcoming **physical** resistance . . . ";
11. Section 300.7 Paragraph A 9, clarify how a person becomes "visibly pregnant";
12. Section 300.7 Paragraph A 4, define "apparent need";
13. Section 300.7 Paragraph A 17, clarify "prior contact", perhaps by modifying to include "prior contact **resulting in an arrest, detention, or involving domestic violence**";
14. Section 300.8 Paragraph B 1, add to sentence "to **obtain or seek to obtain** a confession . . . ";
15. Section 300.8 Paragraph B 4, add to sentence "coerce, **intentionally harm,** or punish . . . ";
16. Section 300.8 Paragraph B 5, change the word injected to ingested;
 - a. In addition, CRB poses the question as to the acceptable level of force in this situation and notes that, previously, striking the face was commonly applied;
17. Section 300.8 paragraph B 6, define "exigent circumstances";
18. Section 300.8 Paragraph B, add a subparagraph 7 that, "**the use of handcuffs tightly fastened on a subject shall be considered a prohibited use of force and handcuffs should not be used in any way other than to detain or arrest a subject**";

19. Section 300.9 Paragraph A, add to the last sentence " . . . the circumstances **that the officer or someone else is at risk of immediate death or serious bodily harm.**"
20. Section 300.9 Paragraph B 1, add to the first sentence "...the subject has a **deadly** weapon . . . "
21. Section 300.9 Paragraph B 4, remove in its entirety;
22. Section 300.9 Paragraph C, remove "force where safe and feasible" and add "**unless it would be impossible, under the circumstances to do so.**" Also, define the manner in which officers are expected to issue a warning.
23. Section 300.10 Paragraph D, change the sentence ". . . where there is **an objectively** reasonable belief there is a possibility of **serious bodily harm or death** to the officer or others. **Under no circumstances should officers draw or display firearms as a means of de-escalation . . .**";
24. Section 300.10 Paragraph E 2, change the last sentence to say ". . . may cause the vehicle **to lose control.**";
25. Section 300.12 Paragraph D, change to state "Individuals shall not be placed on their stomachs **unless it is necessary to do so.**"
26. Section 300.12 Paragraph H, add a requirement that witnessing officers must document whether they observed a request for or refusal of medical treatment.

Body Worn Camera

This policy similarly incorporates some of the suggestions provided for in CRB's July 2, 2018 letter on this topic. There are substantial considerations for individual privacy, and our recommendation to have random reviews of BWC has also been incorporated.

The draft policy does not address CRB's proposal for "clean reporting". This would provide that incident reports be written before the officer has the benefit of reviewing BWC footage, and that the footage should only be reviewed thereafter. CRB also suggests, generally, that the BWC "user manual" be attached to the policy itself. Finally, CRB proposes additional language (below) that will ensure that the cameras are to be activated during all law enforcement activity, with an exception only for officer safety.

Separately, CRB hereby renews its request for unfettered access to BWC footage.

CRB's specific edits / comments are as follows:

1. Section 424.2 Paragraph A, take out of the last sentence "their duties" and add **law enforcement activities**;
2. Section 424.4 Paragraph A, in the second sentence removed at the end of the sentence "and feasible". In the last sentence after "is not safe" remove "and feasible";
3. Section 424.4 Paragraph B, remove "or until the situation no longer fits the criteria for activation";
4. Section 424.4 Paragraph D, should be moved to definitions of law enforcement;
5. Section 424.6 Paragraphs A and B and Section 424.7 Paragraph E, add a requirement to notify the officer's superior officer in any such instance;
6. Section 424.9 Paragraph B, add a reference to Section 424.2 Paragraph B;
7. Section 424.15, Add a Paragraph B that states "**The coordinator will establish regular interactions with the CRB which shall provide recommendations regarding BWC Policy and Procedures**";

Sincerely,
