

MESSAGE FROM THE MAYOR

April 8, 2024

Dear City Residents, Friends and Neighbors,

Pursuant to Article VI, Chapter 6-102 of the City Charter, I present the budgets for the City of Syracuse and the Syracuse City School District for the Fiscal Year 2025, the period of July 1, 2024 through June 30, 2025. The \$341 million budget supports strong neighborhoods, better city services, and pathways to opportunity for children and families.

To offset across-the-board cost increases facing city government, the budget anticipates growth in revenue from strengthening property values, improved investment management, and continued growth in sales taxes. The plan draws on the City's fund balance at the same rate as the prior fiscal year, deploys American Rescue Plan Act (ARPA) pandemic relief, and proposes a 2% property tax rate increase.

At a time of critical need, the budget supports major new funding for housing. We will inject \$2.5 million in direct funding to the new Syracuse Housing Trust Fund which will add new quality housing and help current property owners fix up the aging housing stock in city neighborhoods. Our plan also improves sanitation services with the planned rollout of covered recycling carts. We add staff to bolster permitting and project review which enables development and growth. And we also fund summer jobs for hundreds of city youth and direct more money to city schools.

Investments in Neighborhoods, Services and Families

In addition to funding existing services, the proposed spending plan includes enhanced city programs and services:

Neighborhoods

- General fund allocation to Syracuse Housing Trust Fund
- Funding to resume seizure of tax delinquent properties
- New class of police cadets who will receive training and experience to become a police officer
- Five additional SPD Community Service Officers
- Syracuse Police Academy recruitment-training program
- Funding for new Police Academy classes
- Creation of an SPD Drone First Responder program
- Expansion of the SPD Alternative Response program
- Funding for new Fire recruit class
- Update 911/fire station alerting system at all firehouses

Services

- Two additional staff members in Central Permit Office for project and plan reviews
- New sanitation route optimization to improve efficiency of trash and recycling pickups
- Citywide rollout of covered recycling carts
- Planned 23 miles in road reconstruction
- Planned 14 miles in sidewalk maintenance and reconstruction
- New year-round Department of Public Works road crew to restore pavement after infrastructure repairs
- Expansion of replacement program for water pump stations and lead water services containing lead materials

Families

- Funding for approximately 800 jobs for summer youth and adult workforce development
- Increase in aid to Syracuse City School District
- Staffing for new Parks & Recreation programs at Southwest Community Center
- Staffing and daily operation of Second Chance City Dog Shelter
- New full-time Public Arts Coordinator in Parks & Recreation Department

Revenue Sources

Primary sources of additional revenue to the city budget compared to the prior fiscal year come from:

Revenue Increase* Source

\$7.3 million Growth in city property tax

\$7.0 million Improved investment management program

\$4.5 million Growth in sales tax

*(Proposed FY24 to FY25)

The 2% increase in the property tax rate will move the combined rate for City and School taxes to \$28.26 per thousand of taxable assessed value. For a property with an assessed value of \$100,000, the rate change will increase the annual tax bill by approximately \$55.

The new rate, combined with the increase in total assessed value, will increase the combined City and School tax levy by 6.7 percent from \$115.5 million to \$123.3 million. The City will increase funding to the Syracuse City School District by \$500,000.

The budget proposes drawing \$19.25 million from the city fund balance, which currently exceeds \$115 million. After the proposed draw, the fund balance will exceed the rating agency-recommended municipal reserve level of 20% by approximately \$30 million. In accordance with federal guidelines, the budget also anticipates deploying \$11 million in APRA funds to the city general fund.

The 2025 budget is supported by a \$2 million services agreement payment to the City by Syracuse University, a \$250,000 increase in revenue compared to the prior budget year. SU also makes a \$500,000 payment to the City to fund the University Neighborhood Agreement Advisory Council (UNSAAC).

Water and Sewer Rates

The proposed budget includes changes in water and sewer rates. A 2% increase in water rates for property owners will offset the rising costs of materials; allow continued investment in water infrastructure; and ensure a continued stable water supply. A typical residential increase will be about \$5 per year. Sewer rates will increase an average of \$15 per year per single family customer.

State Aid Increase

The budget plan includes a \$5 million increase in state aid. The one-time Temporary Municipal Assistance payment is the first increase in general state aid to the City in 15 years.

We are making strategic investments in neighborhoods, services and families while managing the ongoing structural deficit facing city government. We are grateful for the Temporary Municipal Assistance payment. Even with this funding, significant revenue enhancement through better investment management, increasing property values and growing sales tax, costs continue to exceed revenue growth. A local property tax rate increase is a necessary step toward fiscal sustainability.

Syracuse is making steady progress toward realizing our vision of being a growing city that embraces diversity and creates opportunity for all. This is occurring because of your support as taxpayers and residents of Syracuse and the strong collaboration we have built with our local, state and federal government partners. I am honored to serve as your Mayor and look forward to continue working with you the strengthen Syracuse.

Thank you.

LESS: UNCOLLECTED TAXES - CURRENT

YEAR: Beginning in 1989, the City started to budget for the uncollected portion of each year's combined City and School District levy, that was anticipated to exceed 1% of the tax budget already added individually to the City's and School District's tax budget as required by New York State Law. The inclusion of the Uncollected Taxes account was recommended by staff of the State Comptroller as part of the City's efforts to be more in compliance with State finance requirements.

Real Property Tax Items

SPECIAL LIGHTING TAX: Properties located in

special lighting districts are assessed fees to cover the cost of installation and maintenance of specialized street lighting. Examples of districts include the Bradford Hills area, certain streets in the Westcott area and Armory Square.

ASSESSABLE IMPROVEMENTS: The City provides some services, namely sidewalk and vault reconstruction, and charges the taxpayer for these improvements on the tax bill. This account records the anticipated revenues for the year.

ASSESSABLE IMPROVEMENTS BUYOUT: Beginning each fiscal year, the General Fund makes various operating funds whole with regards to special assessments charged on the tax levy (e.g., unimproved street charges). This *negative* revenue represents the difference between the total special assessment taxes purchased by the General Fund, and the expected collections of these charges during the fiscal year.

PRIOR YEARS' TAX COLLECTION: This revenue account represents an estimate of prior years' City and School District taxes which will be collected in Fiscal 2023/2024. The amount included in the budget is based on an average of recent years' collections. Prior to the 1994/95 budget, the amount used for Less: Uncollected Taxes Current Year was actually a combination of prior years' tax collection and the current uncollected. The 2023/24 budget displays both components, showing two gross amounts instead of one net figure.

TAX FEES AND PENALTIES: These payments represent late fees and delinquency penalties for City property taxes, which accrue at 1.5% per month for current year's taxes (with an annual maximum rate of 12%) and fees from tax sales certificates which accrue at 1% per month. Also included in this account are proceeds from tax sale certificates. Tax sale certificates represent unpaid taxes from previous years that are filed as a lien on or about October 6th of each year.

PILOT- NON-PROFIT HOUSING: Payments-in-lieu of-taxes for senior citizen high-rise apartment buildings. These payments are negotiated on the basis of a shelter rent formula representing 10% of gross receipts less the cost of utilities and uncollected rents.

<u>PILOT - ONTRACK:</u> Payments-in-lieu-of-taxes made by the Syracuse, Binghamton and New York Railroad Corp. to the Onondaga County Industrial Development Agency for operation of rail services linking various commercial and recreational centers

in the Syracuse area. The base payment consists of 5% of ticket and other gross revenues, of which the City receives a prorated share based on the percentage of taxes owed to it and the surrounding areas on which the track is operated.

<u>PILOT - S.I.D.A.:</u> Payments-in-lieu-of-taxes from development projects exempt from property taxes due to ownership by the Syracuse Industrial Development Agency, such as the Galleries and the AXA Towers. These PILOT agreements are on file in the Finance Department and typically are based on such factors as assessed value and rentable square footage. Includes only unrestricted income available to the City's General Fund.

<u>PILOT- SYRACUSE UNIVERSITY DOME:</u> A payment-in-lieu-of-taxes that is paid by Syracuse University for all entertainment and professional sporting events at the Carrier Dome. The payment is equal to a charge of \$.75 per ticket on all such events, or \$100,000, whichever is greater.

SALES TAX: The sales tax rate in Onondaga County is 8%. New York State receives 4% of these revenues, while Onondaga County currently shares the remaining 4% local tax with the City of Syracuse, and the suburban Towns, Villages and School Districts pursuant to a 2000 City/County agreement. In May 2010, a new agreement was adopted that will govern the distributions for 2011 through 2020. Over the course of the decade, the Town, Village and School District shares will be significantly reduced. For the transition year of calendar 2011 only, the City will receive a reduced share of approximately 19.5% of the total. From 2012

onward, the City's share will ratchet up and then stabilize at approximately 24.47% of the total in year 2016. In January 2019 this agreement was extended through 2030.

<u>DOME STADIUM REIMBURSEMENTS:</u> Beginning January 13, 2020, a new agreement was reached between the City and Syracuse University relating to traffic control for events held at the Carrier Dome. The City provides all manpower for traffic control for scheduled events. Under the new agreement SU will pay all workforce costs.

S.U./CITY SERVICE AGREEMENT: Per an agreement with Syracuse University and the City, the University will make annual payments to the City of \$500,000 for the Neighborhood Support- \$125,000 allocated to the Syracuse Police Department and the remaining balance \$375,000 for community organizations and projects in the target area. Also included is routine maintenance and patrol of Walnut Park.

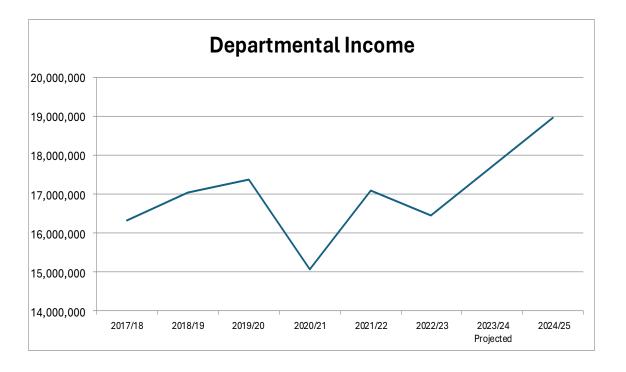

<u>SU SERVICES/SUPPLEMENTAL:</u> The City of Syracuse and Syracuse University entered into a new agreement for city services in 2021 which will provide the City with annual payments, the first year (FY23) will be \$1,500,000, with an annual increase of \$250,000 in the next two years, culminating in a \$2 million payment in FY25.

CANNABIS TAX: The City of Syracuse will be receiving cannabis tax from licensed dispensaries in the City.

ABSTRACT FEES: In order to obtain clear title to a property located in the City, property owners must make sure that all property taxes are up to date. The City charges \$3 per year with a minimum fee of \$25 (5-year tax search) to search its records to certify the payment status of property taxes and miscellaneous charges, fees and/or liens levied against a subject property. The most common search is a ten-year search for \$45, followed by a 15 year for \$65 and a 20-year search for \$80.

<u>DUPLICATE TAX BILL FEE:</u> The revised General Ordinances of the City were amended by Common Council action in January 1994 permitting the Finance Commissioner to charge a fee of \$4 for the issuance of a duplicate tax bill to any person or firm, other than the property owner. This fee allows the City to be compensated for the person hours used to help banks, lawyers, etc., get duplicate copies of tax bills for their various needs.

<u>COUNTY TAX COLLECTION FEE:</u> The City acts as tax collector for Onondaga County. The City fee is equal to 1% of the taxes levied by Onondaga County.

PARKING RESTITUTION SURCHARGE: In November 2003, New York State imposed a \$15.00 surcharge on every parking ticket. The City is responsible for collecting these funds and forwarding them to the State. As of 2008, the City will keep all the proceeds from the surcharge.

HANDICAPPED PARKING SURCHARGE: Effective April 2000, handicapped parking violations were assessed with an additional penalty of \$30.00. While New York State imposed this new fee, the City and Onondaga County split the entirety of the proceeds equally.

<u>LICENSES:</u> The Finance Department issues approximately 2,000 licenses annually. These include licenses for taxis and drivers, auctioneers, food vendors, amusement device operators, bowling alleys, dance and entertainment, secondhand dealer, etc. Annual fees for these licenses vary from \$25.00 for a secondhand dealer license to \$1,500 for a food vendor's license. The fee for waste hauling permits is also included in this account.

<u>BINGO LICENSES:</u> Bingo licenses are issued for each occasion of Bingo at an approved site. The fee for these licenses is \$18.75 per occasion. Forty percent of the license fees collected for Bingo goes to the City, while the remaining 60% is remitted to New York State. Currently, there are several locations in the City that hold Bingo events.

BINGO RECEIPTS: The City of Syracuse receives 3% of the total gross receipts from Bingo events. These receipts are sent to the City on a weekly basis. The City employs one part-time Bingo inspector to monitor Bingo events.

GAMES OF CHANCE RECEIPTS: The City receives 5% of the gross receipts from Games of Chance events, such as Casino Nights. These receipts are sent in immediately following the conclusion of each event. For Raffles, the City receives 2% of the gross receipts on a quarterly basis.

<u>SPECIAL DISTRICT ASSESSMENT:</u> The Downtown Special Assessment District was established by local ordinance in 1975 in keeping with the action taken by the New York State Legislature in Chapter 405 of the Laws of 1975. It authorized the City to establish a special assessment district for the purpose of undertaking, developing, operating, financing, and maintaining certain special improvements within the boundaries established for the district. The district's annual budget is divided between several programs designed to ensure the revitalization of downtown, as well as the future growth and prosperity of the City's business core. This money is raised through special assessments on properties according to a formula established by ordinance, which reflects the benefit accruing to various properties.

Program Responsibilities:

The Transportation Division is charged with the responsibility of assuring municipal transportation in the most convenient and safe manner with minimum interference and congestion. This includes the implementation, operation and maintenance of the City's traffic system services. The Division also provides engineering services and supervision related to the planning and development of normal traffic patterns. The Division has the responsibility for the operation and maintenance of City parking meters and the inspection of all municipal lots and parking garages.

The Transportation Division is responsible for the payment of energy costs, maintenance, installation and removal of all lights along public thoroughfares in the City. This is done under contract with National Grid. The major purpose of street lighting in the City is to promote traffic safety. Special lighting districts also provide the opportunity for special decorative street lights. The Department of Public Works evaluates requests for new or increased lighting and refers orders for repairing broken street lights to National Grid consistent with New York State Public Service Commission regulations.
