**Technology Review Determination
S.T. No. 24-001 "Automated Speed and Redlight Enforcement"**

Surveillance Technology Working Group ("STWG"),

I appreciate the group's effort and time in performing due diligence on Automated Speed and Redlight Enforcement. After perusing the Recommendation for Approval document, and reviewing the technology's capabilities, and the group's findings and recommendations, I support STWG's recommendation for qualified approval of Automated Speed and Redlight Enforcement.

Sincerely,

A handwritten signature in blue ink, appearing to read "Ben Walsh", is written over a light blue horizontal line.
