Section 3 Compliance - Required for Awards Over \$100,000

Section 3 is a provision of the Housing and Urban Development Act of 1968. The purpose of Section 3 is to ensure that employment and other economic opportunities generated by certain HUD financial assistance shall, to the greatest extent feasible, and consistent with existing Federal, State, and local laws and regulations, be directed to low- and very low-income persons, particularly those who are recipients of government assistance for housing, and to business concerns which provide economic opportunities to low- and very low-income persons. While the requirements of Section 3 typically --but not exclusively-- apply to recipients of HUD funds that will be used for housing construction, rehabilitation or other public construction, all agencies and organizations applying to NBD for funding over \$100,000 must agree to comply with Section 3 utilization and reporting requirements as applicable to the proposed project or program.

As a CDBG funded agency requesting more than \$100,000, I agree to follow Section 3 reporting guidelines to ensure federal compliance.
